Hiring Manager

Dekalb Technology South

Georgia State University: Perimeter College - Decatur Campus

3303 Panthersville Rd

Decatur, GA 30034

Dear Hiring Manager,

I am writing to express my interest in the Cybersecurity Analyst position at Dekalb Technology South. As a dedicated high school student with hands-on experience in virtual machine setup, Active Directory, and event log analysis, along with a Microsoft SC-900 certification, I am eager to apply my skills to help protect your organization's systems and data.

Through my coursework and practical projects, including TryHackMe cybersecurity labs, I have developed strong analytical and problem-solving abilities. I am confident that my enthusiasm to learn, attention to detail, and foundational knowledge in cybersecurity make me a great fit for your team.

Thank you for considering my application. I look forward to the opportunity to contribute to Dekalb Technology South's security initiatives and to grow my skills in a professional environment.

Sincerely,

Jeanne Basayo
